2015.07 - 2015.09

MEDIATEK INC.	2020 - Now
Software & Computer Vision Engineer	
Mobile Camera and Surveillance Algorithm Development.	
(includes denoising, HDR, detection, segmentation, and other camera related tasks.)	
 Integrating software C-Model between mobile chip modules and algorithms. 	
NATIONAL TSING-HUA UNIVERSITY (NTHU)	2018 - 2020
M.S Computer Science	
• Participate in "Vision and Learning Lab" with my advisor Hwann-Tzong Chen.	
NATIONAL TSING-HUA UNIVERSITY (NTHU)	2014 - 2018
B.S Computer Science	
• Independent study: <i>"360° Videos Objecet Detection"</i> . (3 rd place in the competition)
